Akvo.org uses the PayPal Secure Payment™ system

With PayPal you can use your country's account if you have one.

PayPal charges up to 3.5% in transaction fees. So if you donate 100 € you will pay 3.50 € in transaction fees. So you will donate 96.50 € to the selected project.

At this time, only the following countries are able to treat this donation as a tax-deductible donation. We are working hard to expand this list all the time:

- The Netherlands (Nederland)

About Akvo.org

We are a non-profit foundation headquartered in the Netherlands. We help connect doers and donors to transform communities in some of the poorest parts of the world. The Akvo platform is open source and we encourage others to build on and improve these tools, or adapt the platform for other purposes.
